102816 HQs NEPA Office ELDS FSEIS Recommendations.docx

Hi,

This is the language recommended by HQs on Friday (NEPA) and climate change.
Lingard, I will call you back tomorrow but this should give you a sense of what they are looking for.

In addition, I have received some additional information from the contractor on CC impacts and modeling which will also be incorporated.

Ex. 5 - Deliberative Process, Attorney/Client

Tim Timmerman also had some comments.

I will include everyone on the email I send out thanks
